Colleagues,

This is to welcome again all Session Organizers, Speakers, Participants, and others to the Seventh International Conference on Dynamic Systems and Applications & Fifth International Conference on Neural, Parallel, and Scientific Computations to be held during May 27-30, 2015, in Morehouse College, Atlanta, Georgia.

In the airport **Taxi services** and **Airport Shuttle** are always available. We request you to use the taxi service (cost is about \$40 plus to downtown hotel and about \$40 to Morehouse College) or Airport Shuttle (about \$20 plus to Hotel or Morehouse College).

Atlanta Airport: "Hartsfield-Jackson Atlanta International Airport" has two Terminals - (i) Domestic Terminal and (ii) International Terminal.

We have plans to pick you at the airport if you are arriving on May 26, 2015 between 2:00 PM and 10:00 PM (pick up time will be around 2, 3, 5, 7 & 10PM).

Look for our faculty volunteers near the

**Domestic:** North Baggage Claim-Carousel #5; **International:** Arrival waiting area

If you have to pick up your baggage at the (Domestic) South baggage claim, or American Airlines baggage claim, after collecting your baggage, come to the (Domestic) North baggage claim-Carousel #5 (May 26, 2015 between 2:00 PM and 10:00PM) and look for us with ICDSA7-ICNPSC5 welcome note.

Atlanta's traffic is very heavy. So, if by chance we are between scheduled times giving rides and you cannot wait, or if you are arriving on a different date, you will have to use a taxi service or Airport Shuttle.

At the airport there are several restaurants. If you are staying in the dorm, I request that you finish your lunch/dinner at the Airport. On May 26th there will not be any food services available on campus.

Monday, May 25 is Memorial Day. Our college is closed. Those who are coming on May 25, if **you plan to stay in the dorm** and if you have not informed us of your arrival time, please let us know. We may try to arrange with the college dorm to expect you.

On June 1, 2015 college summer program reopens. We have to vacate the dorm on May 31, 2015. If you plan to stay after May 31, I request you to stay in any hotel from May 31, 2015 onwards.
